Prayer Group's monthly Meeting

The Prayer Group will gather this Tuesday, May 14th at 6:00 p.m. We will meet in the Living Word Classroom. This meeting is open to all folks who wish to draw closer to God through prayer. The opportunity to address the prayer needs of each individual, the group, the church and more will be made available.

Time will be made available for group prayer, individual private prayer and meditation. This is a time for us to draw closer to God and each other.

Graduation Party Reception

You're invited! As a thank you for all your love and support, Anna Voorhees invites you to her graduation party/reception on Saturday, May 18, 2019. Join us in the City Road Chapel UMC gym anytime between 4:00-8:00 p.m.

Please feel free to bring desserts or finger foods to share. Hope you can make it!

Making Sense of the Bible

At the request of a number of moms we are cancelling today's *Making Sense of the Bible* class so that folks can spend time with their families. We will not meet next week on the 19th either due to Jay's vacation, so our next meeting will be May 26 at 2 p.m. as we talk about the New Testament – what's in it, where it came from, and how do we read it today. Sorry for the last minute change in plans but we'll see you on the 26th.

Pastor on Vacation

Jay will be on vacation from May 19 through May 24. We are pleased to announce that our former pastor, Lori Holliman, will be preaching next Sunday.

Our Prayers,

Please pray for the following:

Brian Billingsley; Corky Howard; Joby Corn (Zan Martin's Aunt) lung cancer; Sue Clark; Charles Woodall; JC Broadrick, Sheryl McIlvain

Thank You...

Dear City Road Chapel Members,

Thank you for your support of Community Care Fellowship and Dare to Dream. Your generosity is making a difference in the lives of our most vulnerable neighbors. Because of your contributions, our guest will have nourishing meals, clean laundry and personal hygiene services. Our youngest children will have a safe and nurturing place, where they can work on their letters and numbers in preparation to be successful in kindergarten. Our youth will receive tutoring and support so that they can graduate high school and go on to pursue the additional education they need to become self-sufficient and productive members of our community.

Thank you,
Kristin Harney
