4th Sunday

Today, congregations across the Greater Nashville and Middle Tennessee area will join together for a special moment called **One Sunday**.

While we worship in different buildings, denominations, and communities, we are all part of the same Body of Christ. During our worship service, we will take a few moments to unite with churches throughout the region by reading **John 17:20-23**, where Jesus prayed for all believers to be one.

Following the Scripture reading, we will spend time in prayer:

- For one another as followers of Christ
- For the churches of our community and throughout Middle Tennessee
- For greater unity, love, and cooperation among God's people

Jesus' prayer reminds us that our witness to the world is strengthened when we live and serve together in unity. One Sunday is a simple but powerful opportunity to join thousands of Christians across our region in seeking God's blessing on His Church.

As we gather today, let us celebrate what unites us: our faith in Jesus Christ and our shared calling to make His love known in the world.

At the end of our worship service, we will also receive a special offering for "One Sunday." This will be separate from our regular giving, and anyone who wishes to contribute will have the opportunity to do so at the conclusion of worship.

Why aren't there any Fourth of July knock-knock jokes? *Because freedom rings!*
