CITY ROAD CHAPEL

3rd Sunday

When people hear the word *church*, they often think of a building. While we are grateful for the place where we gather each Sunday, the Church is much more than bricks and mortar. The Church is the people of God, united through Jesus Christ and called to share His love with the world. As United Methodists, we believe God's grace is at work in every person, inviting us to grow as disciples and to serve others with compassion, humility, and hope.

Each of us has been given unique gifts to share. Whether you greet visitors, serve as an acolyte or liturgist, help with worship, prepare bulletins, volunteer behind the scenes, assist with outreach ministries, or faithfully pray for others, your service matters. Together, we are living out Christ's call to love God and love our neighbors. May we continue to be a church that not only gathers for worship each Sunday but also shares God's grace throughout the week, showing His love in both simple and meaningful ways.

*While a married couple was arguing about who should make the coffee, the wife said that the Bible says that men should make the coffee. The husband asked her where it said that. The wife opened the Bible and said, "Right here in HEBREWS!"*
