November 8 - Organ and Tissue Donor Sunday

Every year, thousands of people wait for the gift of an organ transplant. For them and their families, the wait can bring uncertainty, worry, and hope for a second chance at life. Organ and tissue donation is a remarkable act of generosity that can save lives, restore health, and bring hope to those facing difficult circumstances.

This observance has a special meaning for our church family. Members of our congregation have loved ones who are currently waiting for organ transplants, including our own Pastor Knight's son, who will need a kidney transplant. These are not just stories we hear about; they are real needs affecting people we know and love.

As a church family, let us keep those who are waiting for transplants, their loved ones, and everyone involved in the donation process in our prayers. We are also reminded of the incredible difference one person's decision to become an organ donor can make in the lives of others.

Consider learning more about organ and tissue donation, registering as a donor, and discussing your wishes with your family. What a beautiful expression of love for our neighbors to give someone else the opportunity for more time, more memories, and more life.

CenterWell

CenterWell Senior Sunday - November 15

Make plans to join us next Sunday, November 15, after Sunday School for our monthly CenterWell Senior Sunday! This month's topic is **Overcoming Depression and Anxiety**. These sessions offer interesting, informative discussions and helpful information for everyday life. Everyone age 55 and older is welcome to attend. We hope to see you there!

A little boy scared of the dark is told by his mom that Jesus will look after him outside, prompting the boy to open the door and whisper, "Jesus - if you're out there, please pass me the broom." 😄
